When transferring from one of "Kinnery's" rental homes to another, you will NOT be charged additional administrative fees. However, depending on your previous length of tenancy we may:

1. Have you complete a new application form.
2. Run your credit to ensure all rental (application) criteria is being met for your new desired location. If it is necessary to run your credit a secondary time, a \$40 fee, per adult 18 years and above, will apply.
3. If two or more adults (18 years of age and above) are also moving from the current location into the desired unit listed above, each individual may need to fill out their own transfer application or "complete" application form.
